MM93 RIO HONDO WATERPROOF JACKET

SPORT RIDING || CODE: 320 5921 || SIZE: S-4XL || RRP: € 319.95

The MM93 Rio Honda Waterproof Jacket is a versatile sport riding jacket with class-leading protection, inside and out, which incorporates reinforced poly-fabric zones on the torso for durability and abrasion resistance. With Alpinestars waterproof membrane, zippered air vents for controlled levels of internal cooling plus a removable thermal liner, the MM93 Rio Hondo Waterproof jacket is fully equipped to deal with a wide range of riding conditions.

Multi-fabric shell construction with abrasion resistant material in strategic areas.

Dynamic Friction Shield (DFS) external dual density TPU sliders on shoulders for superior abrasion resistance.

Accordion panels on back and elbow help movement and comfort on the bike.

Stretch panel on cuff for comfort.

Hook and loop strap on waist adjustment plus snap

adjusters on chest and sleeves for improved riding fit.

Zippered air intake vents are strategically positioned for optimized airflow when opened.

Two zippered hand pockets for safe storage of small items.

Printed logo detailing for unique look with reflective details.

3D injected white reflective PU logo on the chest plus 3D injected PU logo on upper back.

Low profile collar construction with 3D textured comfort fabric on inner collar lining.

Pre-curved sleeve construction reduces fatigue.

Padded areas on sleeves front and rear for improved fit and comfort.

Microfiber comfort edge on collar and cuffs.

Front inner waterproof / document pocket for secure storage.

Fixed waterproof membrane guaranteed weatherproofing.

Removable thermal liner with insulated front flap for extended body coverage.

Waist connection zipper allows attachment to Alpinestars riding pants.

Chest pad and back compartments (Alpinestars Level 1 CE-certified Nucleon chest and Level 2 CE-certified Nucleon back inserts available as accessory upgrade).

According to European statutory law the CE mark is a conformity requirement for the marketing of this product. The following standards apply to this product:

CE Category II PPE Regulation (EU) 2016/425 – A class.

CE Level 2 EN1621-2:2014 Alpinestars Nucleon back protector, available as an accessory upgrade.

CE Level 2 EN1621-1:2012 Alpinestars Bio-Air shoulder and elbow protectors.

MM93 AUSTIN WATERPROOF JACKET

SPORT RIDING || CODE: 320 0821 || SIZE: S-4XL || RRP: € 199.95

The MM93 Austin Waterproof jacket features an advanced poly-fabric main shell for high levels of tear and abrasion resistance. Featuring a waterproof membrane which is fully seam-taped, air vents and a removable thermal liner, the MM93 Austin Waterproof Jacket is ideal for a range of weather conditions. With class-leading Nucleon Flex Plus protection on the shoulder and elbow and the option to upgrade with Alpinestars Nucleon chest and back protection, the MM93 Austin Waterproof Jacket is ideal for urban riding.

Chassis constructed from hard wearing 600 Denier polyester with double polyurethane coating for additional protection.

Level 1 Nucleon Flex Plus armor on shoulder and elbow (Nucleon chest Level 1 and Nucleon Level 1 and 2 back

protectors available as an accessory upgrade).

600 Denier polyester internal reinforcement on shoulders and elbows for additional abrasion resistance.

Hook and loop waist and cuff with YKK zip for a secure closure.

Low profile collar construction with soft lining for enhanced rider comfort.

Two front zippered pockets, inner waterproof document pocket and two inner pockets on the liner for safe and secure storage.

Removable thermal liner allows the rider to adjust the jacket to the weather conditions.

Upper side vents for optimal airflow.

Reflective details.

MM93 TWIN RING v2 LEATHER GLOVE

SPORT RIDING || CODE: 355 8921 || SIZE: S-3XL || RRP: € 109.95

A sports glove constructed from highly abrasion resistant, full grain leather and featuring a rugged polymer knuckle protection, the MM93 Twin Ring v2 Leather Glove offers high levels of protection, movement and comfort. With a pre-shaped finger construction, a Velcro cuff closure and a new anatomically profiled grip insert on palm and thumb, this glove affords a secure and highly personalized performance riding fit.

Premium, full-grain leather construction is durable and offers excellent abrasion resistance.

An innovative microfiber and PU grip insert strategically position on palm and thumb for excellent levels of grip control and durability.

Alpinestars' exclusive ergonomic stretch insert between

palm and thumb offers improved range of hand movement and greater sensitivity while operating the bike controls.

Incorporates premium quality suede palm and landing reinforcement for grip, control and durability.

Alpinestars' patented third and fourth finger bridge prevents seam failure and finger separation in the event of a slide.

Excellent repeated impact performance offered by an advanced over-molded polymer knuckle protector.

EVA foam padding reinforcements on thumb, wrist, back of hand, finger and palm for comfort and abrasion performance.

Perforated leather cuff, plus perforated finger sidewalls for superb breathability.

Velcro cuff closure, plus elasticized wrist design for secure, personalized fit.

Pre-shaped, anatomical finger design and external seams for comfort and exceptional feel.

Printed and embroidered logos on wrist and fingers, plus heat stamped logo on knuckle.

Touchscreen compatible fingertip on index finger for use with touch screen devices.

According to European statutory law the CE mark is a conformity requirement for the marketing of this product. The following standards apply to this product:

CE Level 1 EN13594:2015, KP.

AUSTIN RIDING SHOE

ROAD RIDING || CODE: 251 0919 || SIZE: 38-48 EUR / 6-14 US || RRP: € 139.95

Featuring performance innovations adapted from decades of R&D experience in the highest level of motorsports, the MM93 Austin Riding Shoe is lightweight and incorporates class-leading protective features, both inside and outside. The MM93 Austin Riding Shoe is constructed from a lightweight, durable microfiber chassis and comfort-giving interior mesh, resulting in an aggressively styled road racing shoe offering performance, precision, flexibility and structural integrity.

Upper constructed from a superbly lightweight, durable and abrasion-resistance microfiber.

Enhanced TPU ankle extended in lower lateral area increases support and protection.

TPR slider details on lateral toe box gives enhanced flex and protection.

TPR heel counter design ensures additional lateral support and security.

Asymmetric toe design gives protection on shift area.

Traditional lace closure system for an easy, secure and comfortable fit.

Lateral adjustable hook and loop closure system with TPR strap for added security.

Medial dual density ankle protectors between the upper padded lining to provide strategic protection and flexibility in key areas.

Tongue and collar padding provides high levels of comfort and an excellent fit around the ankle and instep.

Internal toe box and heel counter reinforcement is

layered under the upper for a more ergonomic design.

3D mesh lining for high levels of breathability with anti-slip micro-suede on heel.

Replaceable anatomical EVA footbed with Lycra lining on top.

Extremely lightweight, specifically compounded, rubber sole provides textured grip, excellent absorption and features an integrated support shank for enhanced sole rigidity.

According to European statutory law the CE mark is a conformity requirement for the marketing of this product. The following standards apply:

Austin Riding Shoe is CE-certified to EN 13634:2017.

MM93 CR-X DRYSTAR® RIDING SHOE

ROAD RIDING || CODE: 261 1921 || SIZE: 38-48 EUR / 6-14 US || RRP: € 179.95

A protective riding shoe with unrivalled off-the-bike, all-day walking comfort. The MM93 CR-X Drystar® Riding Shoe boasts a running shoe last which provides a 'snug' fit coupled with 'ample inner shoe volume' to ensure good all-day foot comfort, while the Drystar® waterproof and breathable membrane guarantees effective all-weather performance.

Drystar® membrane offers effective weather protection in wet conditions.

The sole unit 'DROP' (or, the off-set between heel and toe) is set at 9 mm (many running shoes have a 9 mm drop) to ensure a smooth heel-to-toe transition when walking.

Features an EVA midsole provides for excellent all-day underfoot comfort.

Forefoot Flex grooves are engineered into the midsole for enhanced forefoot comfort (the grooves promote flexing in the forefoot area).

Full-length TPU CE-certified inner sole plate for superior riding protection and a dynamic heel-to-toe transition when walking.

Asymmetric outsole stud configuration provides excellent levels of grip and abrasion resistance.

Oil resistant dual rubber compound provides optimized grip on unclean/slippery surfaces.

Removable Ortholite insock provides long lasting comfort and prevents over heating thanks to the Open Cell PU compound.

Hidden asymmetric lateral and medial TPU ankle discs for effective but discreet ankle protection.

Lightweight inner bootie with minimal construction design for a comfortable, glove-like fit.

Tongue with bellows construction has been designed to remain in position when riding for a snug, secure fit.

Gear shift zone features a highly abrasive-resistant TPU layer for enhanced durability.

Internal EVA layer sandwiched between outer and inner materials reduces pressure on the foot in the gear shift area, thus ensuring superior rider comfort.

According to European statutory law the CE mark is a conformity requirement for the marketing of this product. The following standards apply:

CE EN13634:2017.

MM93 JEREZ V2 BACKPACK WAIST

ACCESSORIES || CODE: 610 5921 || SIZE: ONE SIZE || RRP: € 99.95

Aerodynamically profiled, the MM93 Jerez Backpack features an innovative advanced load carrying system and ergonomic shoulder straps designed to redistribute weight evenly across the back for improved comfort and fit on long rides. With plenty of external and internal compartment storage options and a removable electronic device organizer, the MM93 Jerez Backpack is ideal for city commuting.

Advanced, multi-material main shell incorporating 420 Denier poly-fabric; 420 Denier ripstop nylon reinforcements on the base for strength and weight-saving, as well as improved durability, abrasion resistance and water resistance.

Up to 25-liter capacity and designed for high load carrying capacity with a low profile for aerodynamic performance.

External convenient, zippered compartments with

main compartment for safe and secure storage. Side pockets feature waterproof zippers.

Internal compartment incorporates electronic device organizer sleeve pocket to accommodate cables, laptop computers, tablets and smartphone devices. Sleeve pocket is fleece lined to avoid scratching laptop and tablets.

Built-in helmet carrier conveniently houses all types of open or closed face helmets.

Removable waterproof rain cover that is easily stored in the front compartment.

Anatomically profiled back panel incorporates foam padding inserts and advanced air-mesh to promote superb air channeling and improved comfort while riding. Back

padding also helps distribute weight evenly across the back area which is important for comfort on longer rides.

Ergonomic shoulder straps with perforated foam padding and mesh panels for an optimized airflow, adjustable and removable sternum strap and the Alpinestars quick release system for a fast and secure adjustment.

Removable waist strap featuring the Alpinestars quick release system for a fast and secure adjustment, also preventing flapping of the system webbing.

Grab handle integrated into shoulder system for lightweight, ergonomic performance.

Reflective details on the front and shoulder belts.

YKK semi auto-locking zippers for a secure closure.
